St Mary Bourne Primary School- Science overview 2022-23

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Maple	Light		Animals, including humans How animals survive		Electricity	Plants Making new plants
Longitudinal study	Seasonal changes/habitats-How will the seasons impact on animals and plants living in different places in our school?					
Silver Birch	Light		Animals, including humans How animals survive		Electricity	Plants Making new plants
Longitudinal study	Seasonal changes/habitats-How will the seasons impact on animals and plants living in different places in our school?					
Hawthorn	Earth and Space Earth/Sun/ Moon	Light How Light behaves and how we see	Electricity Circuits-controlling electrical circuits		Forces and magnets Magnets	
Longitudinal study	Plants and living things and their habitats-What is the effect of clearing the pond and should we do it? (classification keys)					
Sycamore	Earth and Space Earth/Sun/ Moon	Light How Light behaves and how we see	Electricity Circuits-controlling electrical circuits		Forces and magnets Magnets	
Longitudinal study	Plants and living things and their habitats-What is the effect of clearing the pond and should we do it? (classification keys)
